

SAFETY DATA SHEET

1. Identification of the substance / preparation and the company

Product name: COCHINEAL

Use recommended of the chemical product: Raw material

Use Restrictions: No identify any

Company / Supplier: Mon-Droguiste.Com
39 Bis Rue du Moulin Rouge
10150 Charmont-Sous-Barbuise
Tél : + 33.(0)3.25.41.04.05
Email : contact@mon-droguiste.com
Web : www.mon-droguiste.com

2. Hazard Identification

Not considered to be a hazardous material.

3. Composition / Information on ingredients

<u>PRODUCT</u>	<u>CAS #</u>
<i>Dactylopius coccus</i> (Cochineal)	----

4. First aid measures

Inhalation:
N/A

Skin contact:
It is recommended in case of skin contact remove contaminated clothing, rinse skin with soap and water.

Contact with eyes:
Flush eyes with plenty of water for at least 15 minutes. In case affected wear contact lenses, these should always be removed that are not attached to the eyes, otherwise could cause additional damage.

Ingestion:
N/A

Most important symptoms and effects, both acute and delayed:
No symptoms or delayed effects

Indication of immediate medical attention and special treatment needed immediately:
Not relevant

5. Fire-fighting measures

Not considered to be a fire hazard.

In the event of a fire, use any means suitable for extinguishing surrounding fire: Carbon Dioxide, Dry Powder, Foam, Water.

Special Information: Wear full personal protection equipment.

6. Accidental release measure

Personal precautions: Wear protective garment
Environmental precautions: Avoid outer environment contamination.
Methods for cleaning up:
- Solid form: Vacuuming or wet cloth may be used to avoid dust dispersal.

7. Handling and storage:

Handling: Keep container tightly sealed for handling. Use protective garment.
Storage: Store in a cool (15°C - 25°C), dry and ventilated area in its proper container tightly sealed.

8. Exposure controls / personal protection

In case of exposure use personal protective garment:
Safety glasses
Lab coat.
Impermeable gloves.

9. Physical and chemical properties

Physical state and Appearance: solid
Odor: Characteristic

10. Stability and reactivity

Stability: Stable under ordinary conditions of storage and handling.
Hazardous decomposition products: Carbon dioxide and monoxide may form when heated to decomposition.

11. Toxicological information

Corrosivity: In view of the available data, the classification criteria are not met.
Sensitization: In view of the available data, the classification criteria are not met.
Mutagenicity: In view of the available data, the classification criteria are not met.
Carcinogenesis: In view of the available data, the classification criteria are met.
Toxic for reproduction: In view of the available data, the classification criteria are not met.
Certain specific toxicity: In view of the available data, the classification criteria are not met.
Overexposure bodies only
Aspiration hazard: In view of the available data, the classification criteria are not met.

12. Ecological information

Toxicity: Not determined
Persistence and degradability: Not available
Bioaccumulation potential: Not determined
Mobility in soil: Not determined
Other adverse effects: Not disclosed

13. Disposal considerations

Discharge, treatment, or disposal may be subject to local laws. Consult your local or regional authorities.

14. Transport information

Not regulated as a hazardous material.

15. Regulatory information

Regulation and legislation: Ensure all national and local regulations are observed on safety, health and environment

16. Other information

Source of data used:

REGULATION (EC) No 1272/2008 THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 December 2008 on classification, labeling and packaging of substances and mixtures PARLIAMENT, and amending and repealing Directives 67/548 / EEC and 1999/45 / EC and Regulation (EC) no 1907/2006 amending.

We confirm that this product conforms to all required USDA and FDA regulations. All recommendations are made without guarantee. Technical data as to the use of this product are given based on our most recent experience without obligation.
