ABOUT THIS PRODUCT

The Vacu Vin Foil Cutter is an elegant wine foil cutter for bottles for every occasion and every situation. The universal foil cutter is the perfect instrument to remove the protective foil from bottles of wine neatly. After removing the wine bottle foil, you can proceed to open your bottle of wine with a corkscrew wine bottle opener. The foil cutter contains four stainless steel cutting wheels that effortlessly and neatly remove the foil from any wine bottle. The highly efficient cutting mechanism only requires a quarter turn to remove the foil and is safer than using a knife.

To remove the foil from the wine bottle, place the Vacu Vin Foil Cutter on the bottle and press cutter arms against the bottleneck. While pressing firmly, turn to cut the foil, then tip the cutter to lift the foil off. The foil cutter is excellent to use during a party, while camping, barbecues, during a business meeting or at home. It's an ideal wine opener set gift when combined with the Vacu Vin Corkscrew Twister for a wedding, holiday, anniversary, birthdays, Christmas, or for any wine lover.
