ABOUT THIS PRODUCT

The Vacu Vin Lever Corkscrew Horizontal is an elegant corkscrew wine bottle opener for every occasion and every situation. It's the bottle opener corkscrew of choice for sommeliers and wine connoisseur alike. The Lever Corkscrew Horizontal model boasts a specially horizontal designed frame with a gear and lever mechanism.

After removing the wine bottle foil, open up the vertical lever and place the corkscrew bottle opener on the wine bottle by sliding the lower half with the rubber grips over the top. Firmly grip the arms to hold in place and fold the lever back downwards to screw into the cork stopper. Then fold the lever back upward to remove the wine cork.

This wine corkscrew is easy to operate and requires very little strength to open a bottle of wine without damaging the cork. The corkscrews highly efficient system enables any wine cork (irrespective of length) to be extracted in a continuous, smooth, vertical motion. The grooved corkscrew bottle opener slides easily into all corks, both natural or synthetic and makes opening bottles of wine effortless. The Vacu Vin Lever Corkscrew Horizontal's ergonomic, compact and lightweight design, make it easy to carry, use and store.
