ABOUT THIS PRODUCT

With the Vacu Vin Wine Saver you're able to keep your wine fresh up to 6-10 days! With the easy to use vacuum pump and wine stoppers for bottles, you can preserve open wine bottles from oxidizing. Just place the **reusable wine bottle stopper** in the bottle and use the wine pump to extract the air from the bottle until you hear a "click" sound. This signals that you have reached the optimum vacuum level, and an airtight seal. This highly durable product for prolonged use is made in Holland in a social production facility. With the Wine Saver you'll waste no more wine and are able to consume wine more consciously. A true must-have for wine lovers!

The original wine preserver – Keep your wine fresh under vacuum and make it last up to 6-10 days longer!

Easy to use – Put the wine stopper in the bottle, use the wine pump to extract the air from the bottle until you hear a "click" sound.

How it works – With the reusable vacuum stoppers you're able to reseal opened wine bottles to slow down the oxidation process. Suitable for all non-sparkling wines.

High quality – The Vacu Vin Wine Saver is a highly durable product for prolonged usage.

Easy to clean – The reusable vacuum stoppers are easy to clean and dishwasher safe.

Responsible choice – Waste no more wine and be able to consume wine more consciously.

Social – Made in Holland with care in a social production facility.

Gift Idea – The Wine Saver is true must-have and perfect gift for the wine lover!
